de Fernão de Magalhães  
e Juan Sebastián Elcano

Juan Sebastián Elcano  
20/09/1519  
06/09/1522

***Infante Dom Henrique***  
***Infante de Sagres ou Navegador***

Padrão dos Descobrimentos

This portrait (Marasca Collection, Biblioteca Bertoliana of Vicenza) is traditionally believed to represent Antonio Pigafetta. The ancient drawing was based on a statue in the Civic Museum of Vicenza, originally coming from St. Michael church (where the Pigafettas had a family tomb).

Old Map Borneo by Antonio Pigafetta

---
